

# Good Governance Workshop Series

A workshop series for nonprofit leaders to navigate uncertainty, harness difference & disagreement, and remain focused on mission.

## Workshop Objectives

More than ever, nonprofit leaders are struggling to navigate the challenges of the current environment - where:

- needs are growing
- financial support is uncertain, and
- scrutiny of nonprofits' work is intensifying.

---

## Workshop Insights & Deliverables

Our Enlightened Governance workshop series provides leaders with practical, hands-on approaches for:

- adopting best practices to ensure their organization is highly-functioning and legally compliant
- productively engaging differences and disagreement to make better decisions for the nonprofit
- staying mission-focused in an environment of increasing polarization and unpredictability
- achieving lasting progress through civility, rationality and consensus.

---

Contact Elena Giannetti on our team to learn more about how we can help.

## Target Audience

Our workshop series is intended for leaders who are interested in delivering operational excellence and establishing a collaborative partnership between board chair and executive director. Roles that should consider participating include:

- Board chairs
- Nonprofit board members
- Executive directors
- Executive leadership team members

## Format

The series consists of six (6) sessions is delivered:

- in-person
- in monthly, two-hour sessions

We recommend the nonprofit's board chair and executive director participate as a team.
